

# THRENODY

By DOUGLAS AKEY

**Full Score**

Duration - ca. 5:30

**Adagio (♩ = 72)**

In a whispered voice, each wind player will repeatedly chant the verse below until measure 11.  
*"Just as time passes, so do memories pass as well; but those who stirred our spirits sting on in our hearts."*

The chanting should begin randomly about ten seconds before the music starts. The chanting should not be synchronized, but rather should sound like unintelligible, hushed conversation.
